THE CHS END ZONE CLUB

Parent Boosters Supporting
The Mighty Capital Eagles

Don't miss your chance to be part of Capital Football history! While each player's parents will be considered General Members of the CHS End Zone Club, please consider becoming **Charter Members** this inaugural season to benefit the Capital Football Program. Parent Boosters support our Eagles with food and equipment rentals during team camp at SOU in Ashland, Oregon in June, at the annual 7 on 7 Tournament and Lineman Challenge at the Optimist Fields in July, and throughout the regular season with Capital Football's famous pre-game dinners beginning in August.

An End Zone Club Charter Membership for one household is \$50.00 and includes two limited edition custom foam stadium cushions to celebrate your support. This offer is open to anyone - alumni, friends of CHS Football, grandparents, and extended family members of all kinds. Please see registration slip below and feel free to share with all fellow Eagles Fans.

PERSONALIZED YARD SIGNS

Celebrate your own Capital Eagle with a helmet-shaped yard sign customized with a player name and the CHS logo. Each 20"x 22" sign is attached to a metal frame for easy placement in the front yard on game day. Please see order form attached. GO EAGLES!
